

**IMPORTANT NOTICE (19th March 2020)**

To all members of the Glen Methodist Church –

On Tuesday, the 17th of March 2020, our Executive committee met to deliberate on the effects of the Corona virus, and to find a way forward regarding our Church services, and intervention strategies. By then, the country had 85 confirmed cases, and we indicated that should the position not change much, we would continue with services as planned. The situation right now has most unfortunately changed. SA now stands at 150 confirmed cases, and we have come to the conclusion that we cannot continue with services on Sunday in the traditional way at Church. We will however have a live service streamed through our Facebook page at **9am on Sunday**. All other practical ways as outlined in our first communique still apply.

Yours in Christ's service,

Smanga
