From Smanga's Desk.

Dear friends in Christ,

Greetings to you all, and welcome to the year 2025! We are excited to finally have our Website ([www.glenmethodist.co.za](http://www.glenmethodist.co.za)) up and running. Please go through it and give us feedback regarding its contents, and suggestions as to how we can continue to make it user-friendly and as informative as possible to you as our members, and those who support our Church.

The Methodist Church of Southern Africa, through our Presiding Bishop, Rev Pumla Ndzimande, has adopted the Theme: "Being an Alternative Community", for the year 2025. This, in practical terms, means that:

1. We will love unconditionally, including those which the world seeks to exclude.
2. We will be a welcoming Community, where all feel accepted and affirmed as God's beloved children.
3. Through our Feed-a-friend and Fill-a-box ministries we will continue to make a difference to those who are poor and can't afford to put food on the table.
4. We will strengthen our Fellowship, Home and Bible study group to live out the shared values of: **Seeing Jesus, Knowing Jesus, Being Jesus and Sharing Jesus.**
5. We will be a home both to the Church and the unchurched, who seek to accept Jesus Christ as their Lord and Saviour.

it is our prayer, as the leadership of the Glen Methodist Church, that you will fully utilize the services of our Society Stewards, as they are here to be of service to you. Our office contact details are also there for you to contact the office with any need you may have. Speaking of our office, it gives me great pleasure to welcome these new members of our Church's staff:

1. **Mrs Charlotte Mangaba**, our property Secretary, who will be looking after all aspects relating to our Church campus, including the grounds and issues of Security.
2. **Mrs Prudence Teboho Mahlangu**, who comes in the place of our beloved **Mme Betty Mangwane**, who took a well-deserved retirement after having served the Glen for many, many wonderful years as a cleaner and ground staff member around our Church. Prudence also happens to be the wife of Alpheus Mahlangu, who has been a long-time grounds manager at the Glen. They also double up as Caretakers at the Church as they are accommodated in the Church grounds.

Ministers: Rev Smanga Bosman, Rev Dr Wessel Bentley

Please continue to follow our services either live or virtually through our website, Facebook, or YouTube channel. Please remember that the virtual option is for those who might be struggling to come to Church physically due to ill health or being away. We still encourage those who are well and close by to come and join us, and enjoy worshipping with us all in our Sanctuary.

Praying that the Good Lord continues to guides you and your family through this year, and that his presence will never leave nor forsake you.

Yours in His Service

Smanga Bosman – Resident Minister
